PAIE

Summary : This project is for the teen-age girls who are in adolescence stage and explained how to overcome the pain at the time of cycles. Some exercises and pranayamas for their health at that time has been explained to them this is second time we are conducting this project by the PAIE cell regarding “girls menstrual health” at Jhansi Rani Lakshmi Bai Girls High School ,Bhimavaram.

As of now we have reached some girls in society and in future we address more girls than this time and educate them at menstrual health and time.
