With the help of PAIE cell members and college management the mega event of his holiness Sri Sri Ravishankar visited Bhimavaram. All the students and college management helped and made this event reach 25000 people and get awareness of the importance of the meditations and yoga in their daily life and very important for holistic and healthy lifestyles.

Summary:

The event started with a warm prayer of chantings of vedic saints and his Holiness H.H Sri Sri Ravishankar and then a welcome meet with the college students and people of bhimavaram. At this gathering many chief guests were also presented ,, and were felicitated by Sir Sri Sri Ravishankar. Then addressed the gathering with an important note of necessary of pranayamas and how does it affect our mental health and then inaugurated the I-Hub (Innovation Hub) in the college.

Then the students of college have arranged an expo of the innovations of the young minds. Namely they are a “BrainWave Sensing” machine which tests and calculates the brain wave and tells the comparisons. It clearly depicted that brain waves are so calm and effective compared to a meditated person to a normal person.

Then by evening a multitude of people attended the meeting which numbered 25000. They were all managed by PAIE cell members and management and other Art Of Living Volunteers. In the meet Gurudev spoke about the peer pressure students and peoples face and how to live a healthy and a happy life which Benefited lots of students and people of Bhimavaram.
